Region:_____

Leader:_____

Members:_____

_____

_____
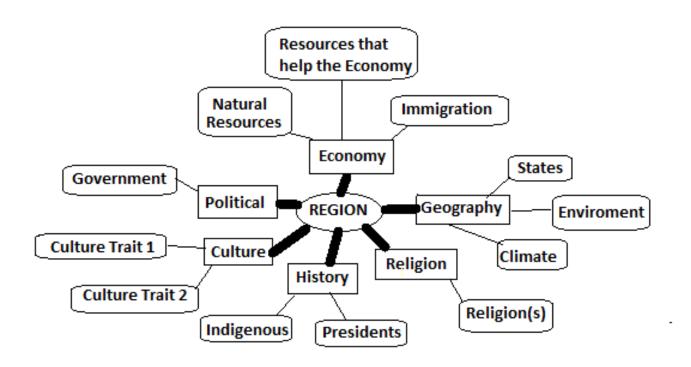

Instructions:

1. You are to create a concept map of one of the 5 Regions of the United States to present to the class.
2. The concept map must include DETAILED Illustrations or Printouts and must be neatly written.
3. Everyone must work on the project and everyone must present.
4. All work must be ready for presentation by Thursday, November 17, 2016
5. The concept map must include information to all of the following questions:
   a. **Concept: (1 pt.)**
      i. What <u>Region</u> is being presented?
   b. **Political: (1 pts)**
      i. What <u>government</u> is practiced in your region?
   c. **Economy: (3 pts)**
      i. Which <u>natural resources</u> are available in your region?
      ii. What is or are the <u>resources that help the economy</u> of your region?
      iii. Who <u>immigrated</u> to your region and why?

   d. **Geography: (3 pts)**
      i. What <u>States</u> make up your region?
      ii. What does the <u>environment</u> look like?
      iii. What is the <u>climate</u>?
   e. **Religion: (1pts)**
      i. What <u>religion(s)</u> are practiced in your region?
   f. **History: (2 pts)**
      i. What <u>indigenous group</u>(s) were or are in your region?
      ii. Which <u>Presidents</u> of the United States were born in your Region?
   g. **Culture: (2 pts)**
      i. Choose two <u>culture traits</u> to share findings unique to your Region (not one that is practiced all over the United States):
         1. Language
         2. Food
         3. Celebrations/ Traditions
         4. Art
         5. Music
         6. Folklore
         7. Way of Dress

Region_____ **(1pt)**

Group Member	Topic of Research
	Political (1pt)
	Economy (3pt)
	Geography (3pts)
	Religion (1pt)
	History (2pt)
	Culture (2pts)

Work together and share your findings.

You will all present your part of the concept map to the class.

You will need to write a thank you note to each person in your group and will give it to them after you present.

Everyone is to complete a group evaluation that will be used to determine your <u>individual</u> final presentation grade.

<u>Scale Score: Total points earned= Percent</u>

13 =100 12= 92 11= 85 10=77 9= 69 8= 62 7=54 6=46 5=38 4=31 3=23 2=15 1=8 0=0
